/Eric W. Stamber/

Supervisory Patent Examiner, Art Unit 3622

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The 3/24/08 Office action has been vacated and a new action has been issued with a mail date of tomorrow (9/25/08). By vacating the action, the Office was indicating that no response to the 3/24/08 Office action was considered necessary by Mr. Grover per his earlier Interview with SPE Jim Myhre. The mailing date of tomorrow is a function of the USPTO mailing system and the fact that applicant has elected electronic delivery of correspondence instead of paper, as the Office action was actually counted and mailed yesterday (9/23/08).
